"As a resident in Corte Bella, a community in the Aqua Fria wastewater district, we want the record to show our unconditional support for full consolidation of the EPCOR waste water districts. It is a fair and equitable solution to a major discriminatory and economic problem which has been plaguing communities, including Corte Bella, for many, many years. Full consolidation treats all consumers on an equal basis, is economically viable to all parties and is acceptable to the utility company, EPCOR. We regret that some consumers may see an increase but all consumers will be treated the same and uniformity and fairness is paramount. Please support full consolidation as requested by EPCOR. Thank you in advance."
